If the paper contains excerpts from other copyrighted material (including, without limitation, any diagrams, photographs, figures or text), you have acquired in writing all necessary rights from third parties to include those materials in the paper and have provided appropriate credit for that third-party material in footnotes or in a bibliography.
- 2) If you are signing this form on behalf of any co-authors or other copyright holders, you have obtained express authorizations from all those authors and/or copyright holders to make this assignment of rights to FVA.
- 3) By signing this agreement, the author(s) certify that they have obtained or caused to be obtained all appropriate approval and clearance for public release, and corporate and employer approvals, which might be required to permit the work to be published. The authors agree to provide objective evidence of such review and approval if requested.
- 4) The paper is not subject to any prior claim, encumbrance or form and is not under consideration for publication elsewhere.
- 5) You have appropriately cited and acknowledged all third parties who have contributed significantly in the paper's technical aspects.
- 6) FVA is not responsible for any misrepresentation, errors, or omissions by those signing this copyright form.

- all proprietary rights other than copyright, including patent rights;
- the right to make oral presentations of this material;
- the right to reproduce figures and extracts from the paper with proper acknowledgement;
- the right to reuse the work in whole or in part in future works of the author's/authors' own creation, such as books, lectures, or course material, with proper acknowledgement;
